iOS WooCommerce App Template

Thank you for your purchase! We're excited to have you use our [iOS WooCommerce App](#) product. As part of your purchase, we've included the complete source code, so that you can use it however you want within the terms of the [license](#).

Get started

[Documentation](#) - To get everything up and running, follow the documentation
[Stripe Payments](#) - Learn how to set up your Stripe API Keys to accept payments in your mobile app from day 1 (everything is already implemented, you only need to update the keys and deploy the sample server to heroku - follow step 4.).
[Push Notifications](#) - Set your Apple & Firebase accounts in order to send push notifications to your customers directly from Firebase Dashboard
[Contact us](#) if you run into any setup issues or any have questions about the template, license or source code.

Thank you,
Florian
